

SENATOR GOODRICH: Mr. President, I move that LB815 be advanced to E & R Initial as amended.

PRESIDENT: Is there any further discussion of the bill? Then the question is, shall LB815 be advanced from General File to E & R Initial. All those in favor vote aye. All those opposed vote no. You are voting to advance LB815. The Chair would ask if you have all voted. Once again, have you all voted? Okay, Clerk will record.

CLERK: 33 ayes, 0 nays, 16 not voting.

PRESIDENT: Bill is advanced. Brings up for General File debate then LB1015.

CLERK: Read LB1015. There is committee amendments from the Judiciary Committee, Senator Luedtke, Chairman.

PRESIDENT: All right, Senator Fellman....I think Senator Luedtke, that's all right.

SENATOR FELLMAN: Mr. President and members of the Legislature. I would move the adoption of the committee amendments. All the committee amendments do is change the word "shall" to "may" in two places which allow the effect of the change in committee amendments is to allow the payroll deduction plans to be optional after a hearing when decided by a judge rather than mandatory. The original language that had to be amended was actually a drafting mistake and this merely corrects it, the drafting mistake in the original bill.

PRESIDENT: All right, any further discussion now on the committee amendments? The question is, shall the committee amendments then be adopted? All those in favor please say aye. Those opposed say no. Amendments are adopted. Are there other amendments to the bill?

CLERK: Yes, Mr. President, we have a motion on the desk from Senator Kelly to amend LB1015, page 5, line 12, after "used", insert new sub-section 4. Read sub-section.

PRESIDENT: Senator Kelly, we're ready for your motion then.

SENATOR KELLY: Mr. President, I make that motion to amend LB1015 with the point of view that the problem of child support in the State of Nebraska and delinquent child support that's been decreed by the courts, that we're just not aware of it. We don't know if it's a big problem or a small problem. I happen to be one of the people that think it's a huge problem. This simple amendment to the bill would cause a real easy to look up record on the child support decrees that are issued in Nebraska so that we could go look in one simple book and see how many dollars are involved and how many dollars are not being paid and then we would soon know that we have a huge problem instead of guessing at it like we're doing now.

PRESIDENT: Any further discussion of the motion? Senator Fellman.

SENATOR FELLMAN: Mr. President and members of the Legislature. I hate to oppose Senator Kelly although I told him privately this morning that I would do this after we talked
